OVERVIEW

Nidi Tec Inc. was founded in 1994 and has evolved into a leading importer & distributor of natural stones in North America.

Currently, NTI imports from over 15 different countries, including India, China, Turkey, Brazil, Philippines and many more, it has offices in India & China to ensure quality, timely deliver and for quick communications from the factories.

NTI stocks 350 different types of products, in multiple sizes, finishes, & styles for immediate delivery. In addition to this, NTI is fully integrated to supply direct containers to your door with ability to combine products from multiple countries. We developed new finishes and color each quarter for your convenience to meet constant market demand, by working with our vendor partners, We also offer marketing aids such as Catalogs, Sample Boards, showroom concept boards, & display panels.

NTI has executed several projects ranging from light commercial to commercial and is fully capable to do "Take-offs" to "Production" to "Execution in time". NTI's biggest strength is logistics and is capable to deliver 1 pallet or full truck in any part of the country at very cost effective way.
